A Word from our President:

On Valentine's Day take your sweetie out early, or late, but be sure to come to our AMDC meeting - and/or bring them to the meeting! For this special occasion we will try a new format - no formal program and plenty of time to socialize and get to know each other.

If this format proves to be fun and successful, we may try this periodically.

We have had some chilly days, but make time to take advantage of the season and get out to swing your detectors. Before we know it, the hot summer temps will be upon us.

Hope to see everyone at our for Valentine's Day Meeting!

Larry Vickers

February Meeting

Our club meeting falls on Valentine's Day, and we will have a PARTY! The meeting will be informal, and we will have a lot of time to socialize, have snacks and conduct minimum amount of business. Susie will be experimenting with some ideas for our booth at the upcoming Treasure Show. We will have the regular Find of the Month, for items found since the January meeting.

Please bring a snack to share. We will have drinks provided.

Upcoming programs will include "Cleaning Your Targets" and "Valuing Your Finds".

Executive Meeting

Our meetings are the first Thursdays of most months, at 6:00. We meet at the Bill Miller's at 709 E. Ben White (right at I-35). All are welcome at any Board meetings. We usually come early to visit and grab a bite; the meeting begins at 6:00.

Plans are in the works for sites for Club Hunts. The Board discussed the need for the Club to have a designated Hunt Master.

TAMDC Treasure Show!

The annual TAMDC Show and Hunt is right around the corner! It will be held April 26-28 in Carthage, TX. Our club will have a booth – and are getting our usual 3 tables for our booth and we want it to be interesting. Please let one of the board members know if you have ideas!

We plan to hold a fundraiser at the Show and sell tickets for Garrett detectors/probe. Larry is hoping to get an AT-Pro, and AT-400 and AT-200 as prizes. This year we hope to sell a number of tickets ahead of time, for folks who may not get to the show.

Mark your calendars and do plan to come help with the Show. It is fun and a great way to meet other detectorists, and see the latest detecting equipment, and just have fun!

AMDC is on Face Book! Be sure and check out and “Like” the Group

Be sure and check the Face Book page often, as we put pictures and news of club goings on.

For SALE

You may list items for sale in the Newsletter – let Blaine know what you have.

Lost and Found Efforts

Since the last period we have had one request to search for lost items:

The request was to search for an engagement ring that was thrown (on purpose) in a back yard in Hutto. Scott H. and Jim went out to search the owner’s yard, but were unsuccessful. The ring may have gone over the fence into the neighbor’s yard, and the team may go back if permission to search is obtained.

Many thanks to those who serve on these searches. It takes a lot of time and effort to go out, but it is always appreciated – even if the item(s) are not located.

Veteran’s Day Memorial Hunt

Mark your calendars for our (3rd) Veteran’s Day Hunt in November. It will be on November 9th, and Jim Lawhon has agreed to be our hunt master again. Plans will be in the works for this hunt, so stay tuned.

Newsletter Contest!

We continue our drawing for a prize at the meetings. If you can answer the mystery question correctly taken from information in the newsletter, your name may be drawn.

Good luck!

Do you see all this space? We encourage members to submit items of interest, pictures, or personal stories to add to our newsletter. Send to Blaine at Punkin4048@aol.com.
