A Word from our President:

Voting time is almost upon us! Not only voting in the national and local elections, but also voting for our 2021 AMDC officers. We have 4 elected officer positions: President (currently Jim Clary, Vice President (currently Jeremy Scroggins), Secretary (currently Blaine Nelson), and Treasurer (currently Scott Hegel). Two of these positions will definitely be vacated at the end of 2020, Vice President and Secretary. Jeremy has moved to north Texas, and Blaine plans to move out of state in early 2021. So, I encourage all our members to volunteer to run for any of our elected positions, but especially for the Vice President and Secretary positions. We have included “job” descriptions for our four elected officer positions in this newsletter so you can all see how EASY they are and maybe help you decide to volunteer. Additionally, we need a volunteer to do the Newsletter, which is not an elected position.

AMDC ZOOM Meeting!

Thursday October 8th (our regular meeting night), we will host a Zoom meeting at 6:30 p.m. for all current paid club members. Members will receive an email with the link to click on sometime prior to the meeting. If you have never used Zoom, it is easy and a great way to connect.

We will have a short business meeting, a program on "Valuing Your Finds" by Blaine, and then we will all have a chance to show/tell FINDS. It will be great to connect with everyone again, and to share some of the treasures we have found recently.

If you are not a current member and would like to re-join, please fill out an application which is on our website at amdconline.com, and send dues to Scott Hegel, 139 Fairwood Dr., Georgetown, TX 78628. Your dues will be good for the rest of this year and for 2021.

Board Meeting Summary

The Board met via Zoom on Thursday, October 1st. Highlights include:

TAMDC Treasure Show – April 16-18, 2021

Jim Lawhon noted that he has volunteered to be in charge of the booth judging at the Show. The theme of the show will be "Lost Treasures in America". The judging will be for three categories – Small, Large, and People's Choice.

TAMDC Hunt - Saturday, 11/14/20 at Lodwick, TX - Jim L, Scott

All day hunt on Ghost Town acreage, \$60 for Saturday. Clad 1/2 Dollars and tokens planted. Natural finds expected.

AMDC Officers Elections for 2021

It will soon be time to elect new Officers and get members to volunteer to be on the Board. We need to elect positions for President, Vice President, Secretary/Newsletter. Please consider stepping up to serve our club. (See Section below)

Possible Club Hunt for Members

We are looking into having an open hunt for members and coming up with potential sites. This would be a chance to get out, reconnect and hopefully find some cool stuff. We agreed to keep it simple this first time, not try and have food, etc. due to the pandemic.

Service Project?

A suggestion was made to consider having a club service project – clean up at a location to pick up trash (using detectors) as well as picking up surface trash. We will pose this to the membership, but also need ideas of a site that needs clean-up attention.

Christmas Party

Carrie reported that we can likely hold our Christmas party at Woodlawn Church. We are going to ask to get the larger room – Fellowship Hall in order to better space the tables for social distancing. Rather than having our usual potluck, we would have the meal catered. Jim Lawhon volunteered to look into the catering options should we decide to proceed with the party.

Lost and Found Efforts

Search Team - Results for September - Scott

Sept. #1 - Search for a man's white gold wedding ring lost in Milwood Park. Mitch and Scott searched for some time but came up empty handed.

Sept. #2 – Search for a tungsten wedding ring at a Bar-B-Q place in Buda. Scott and one of his customers searched for over 2 hours but didn't find.

UPDATE on Sept. #1– On Sat. Oct. 3 Fred went out to search for the ring in #1 and found it! Way to go, Fred

THE LURE OF OLD COINS!

It is so exciting to find old coins! This issue we will look at Wheat Pennies. Do you remember seeing an abundance of Wheat Pennies as a kid?

Wheat Pennies, or Cents were minted between 1909 and 1956, and are still often found in circulation. The wheat penny is made mostly of copper, however during WW II they were made of steel.

In 1909 there were V.D.B. and Non V.D.B. marked pennies. VDB were the engraver Victor David Brenner's initials. Victor Brenner was a United States sculptor and engraver who's most widely known for...you guessed it...the Penny :) The initials can be found on the reverse of the 1909 coin only. In 1918 they would be added much smaller to the front of the coin near Lincoln's shoulder.

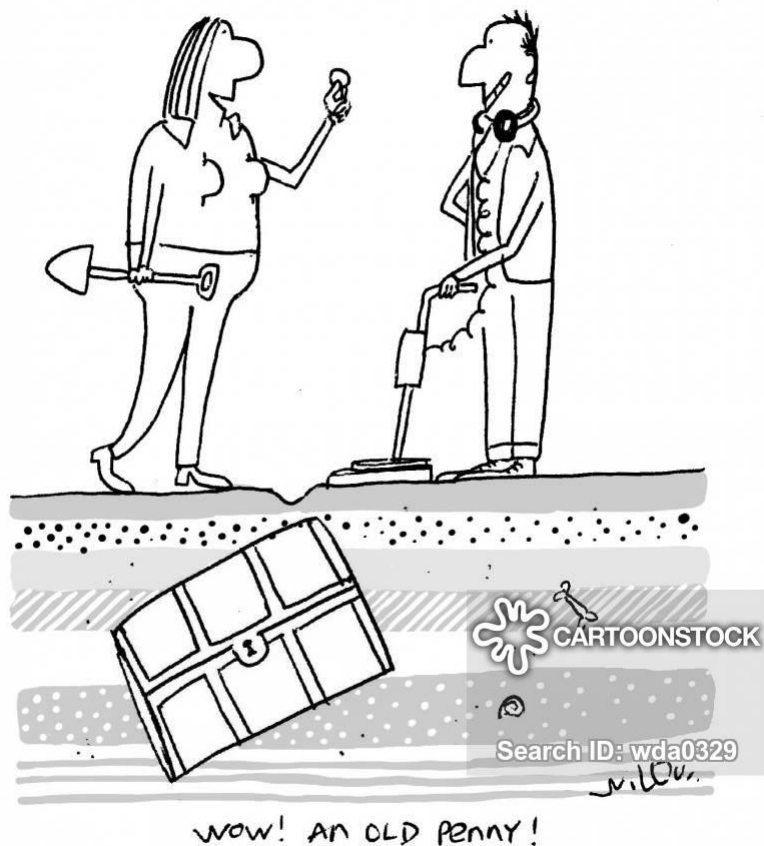

So – What is the Value of Wheat Cents? You can refer to the “Red Book of Coins” to look up specific dates and conditions of the wheat cent, but in general all Wheat Pennies are worth more than their face value of .01 cent. A good rule of thumb is that they are worth at least 3 or 4 cents even in poor condition, but those in good condition (not including special years) are worth at least double digit dollars (\$10 or more) when purchased or sold in MS-63 condition.

Upcoming Events – Metal Detecting:

October 10 – Central Texas Treasure Hunters, Brownwood – Competition Hunt

November 14 – TAMDC Hunt in Lodwick (Ghost Town). Check TAMDC website (TAMDC.org) for info.

April 16-18, 2021 – Temple, TAMDC (Texas Association of Metal Detecting Clubs) Treasure Show – Mayborn Civic and Convention Center
