# December Meeting

There was no meeting in December, instead we had a Christmas Party!

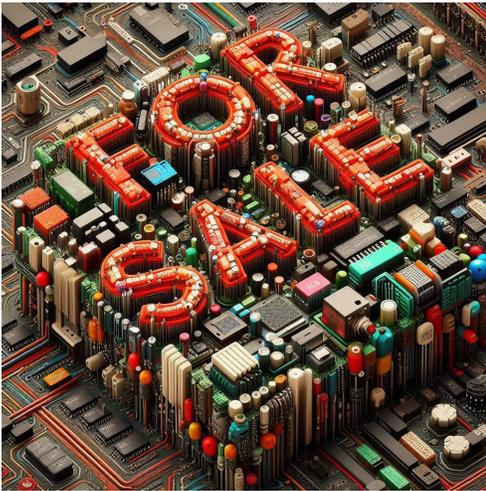

## AMDC Seeking Newsletter Editor

Mitch has been the newsletter editor for a couple years now and he has stepped down. The club is looking for someone to take on this position.

If you would consider being the new editor please contact Mitch or any board member.

Thanks

Larry is selling a metal detector bag. In new condition. Has carrying handles, a zipper and side pocket.

Larry is asking just \$20.

If you are interested please contact Larry 512-243-1831.

### Have an item for sale?

Perhaps a no longer needed pinpointer. Last years model top-of-the-line detector. Maybe you upgraded and no longer need the older version. Whatever the case may be, you can offer it up to club members right herein the newsletter for the low low price of absolutely nothing! Just send the detail and if possible include a picture or two and send it to [newsletter@amdonline.com](mailto:newsletter@amdonline.com).

Randy has a Nokta double score metal detector that comes with the wireless Head Phones, Large Coil, Small coil for \$225.00. Fully submersible. He states it is in great condition. He can be reached at 512 541 9908 and is located in Pflugerville Tx.

## AMDC Search Team Results

The Austin Metal Detecting Club has a team of searchers that go out and attempt to find lost items. These are the results of our recent searches.

←—————→  
**Dec #1** - Cassie - lost ring 3 years ago - did not respond to my inquiries

**Dec #2** - David - lost ring at park (or so he thought) - before we could schedule a search, his 1 year old son presented it to his 4 year old daughter

**Dec #3** - Andrew - lost ring in round rock area - someone on Facebook responded to his request and found ring

**Dec #4** - Betty - lost Aggie ring a Lady Bird Wildflower Park - we are waiting for permission to use detectors there

**Dec #5** - Oliver - lost car key at Festival Beach - Scott tried to find but no luck - Jim Lawhon and my phone numbers came up when he asked for metal detecting help in Austin on ChatGPT

## **AMDC Monthly Programs Wanted for 2026!**

AMDC thrives on its members and there is nothing we like more than to have someone give a program during the meeting. We would love you to be the program for an upcoming meeting! The topic can be anything you like, it does not have to be metal detecting related. It could be about your aspect of the hobby, a place you have hunted and found interesting treasures or a variety of tips you know about selecting a hunt site. Just get in contact with our Vice President to pick a month you can present a program!
