Secretary/Newsletter – Blaine Nelson
266-7058 punkin4048@aol.com

Executive Committee:

Betty Vickers, Art Tiemann 272-8902
Richard Wright, John Chapman,
Lee Presley, Leon and Mary Prause,
Cecil Herrin

President's Corner:

Greetings all!

I hope you are as excited as I am about the upcoming TCTC Show in Longview. Our booth has come together and should be a show stopper! Many thanks to all who have helped and will help the Austin Club be well represented. I hope to see you all there!

Another exciting bit of news is that after several rounds of wishing and talking, we will have a “garden” to hunt. Thanks to Art for arranging our location and Jim, Blaine, Scott, and Richard for offering items and planting. We look forward to our first session in April. More news and details to follow in the newsletters and at the meetings.

Happy Hunting!

Susie

Susie Mireles

Club Dues - 2010 dues are due!

Please bring your dues money to the meeting this month or mail to Scott Hegel, 10200 Grand Oak Dr., Austin, TX 78750
Dues are \$20 again this year.

Show News

The Annual Treasure Show is a few days away!! A number of club members will be coming out to join in the fun and festivities in Longview. The event is at the Maude Cobb Convention Center. Set up day is Friday, March 12, and we will be setting up the AMDC booth. The show is open to the public Sat. and Sunday March 13-14. Along w. the show, there are free seminars, a banquet with renowned Treasure Diver, a big hunt etc. We hope to see many of you there. We ALWAYS have fun, and it's great to see all the other club displays, latest metal detecting equipment, and meet new and old friends who also love the hobby.

March Meeting

The program for March will include a recap from members about their experience at the Treasure Show, and we will watch an interesting DVD "The True Life Story of the Taj Mahal Sunken Treasure". The DVD was done by Carl Fismer, professional treasure diver based in Florida.

Following the program we'll have our "Find of the Month" competition, so bring you FINDS – anything you have found since the FEBRUARY meeting. Even if you are a new member or have never participated, please bring your items to show and enter. It is fun, and the more we have – the more interesting it is!

Blaine will bring refreshments for this meeting.

One More Reminder - Displays!

In January we added a new category to the FINDS contest - **DISPLAYS!** You may bring any finds found since the last eligible meeting and show them in a display. They can be in a case, a box or any other way you would like to present your finds. This is your chance to be creative. The winner will receive double points. You may still enter finds in the regular categories if you enter a display. Remember also – we are encouraging members to show displays in the AMDC booth at the upcoming Treasure Show.

February Meeting Recap

Many thanks to Charles Goertz for presenting a MOST interesting program on ceramics. Charles and his wife Elaine have been making ceramics for many years. Through the use of a power point presentation, hands on examples and Charles sharing his experience in working with ceramics, he made the hobby really come to life. Charles donated one of his ceramic pieces for the fund raiser that everyone was vying for!

Executive Meetings

The April Board meeting will be at **Bill Miller's Bar-B-Q – 8700 E. Hwy 290** on Thursday, April 1st. All are welcome to come join us, eat and participate. Come early to eat, the meeting starts at 6:00.

March Board Meeting - Items discussed included final plans for our booth at the Treasure Show. We will also host a "Metal Detecting 101" event out at the Crow's Nest. Art Tiemann will arrange the date/time, but we are tentatively looking at Sunday afternoon, April 11th.

Search Team Efforts

The team had three requests to look for lost items this month. The first request was to search for a gold band lost off the deck a few years ago in the back yard. The sisters – Blaine and Jan went out on this search, and **came up with the ring in a few minutes!**

The second request was to search for a sentimental men's silver ring lost in a public park. Blaine went out early the next morning and found it fairly quickly.

A third request to search for a men's ring in a back yard is pending a scheduled time.

Member Tips:

This is the section where we list tips and ideas that members want to share. They can either be things from personal experience, or things you have found on line for from another hobbyist. So send in your tips to Blaine at Punkin4048@aol.com

This month Jack Ball submitted a tip to share:

Save film canisters and/or pill bottles to take with you when you go detecting. Fill them ½ full with water and add a few drops of detergent. When you find coins and items, put them in the containers to start the cleaning process. It makes it a lot easier to clean when you get home.

Upcoming Events:

March 12-14, 2010 – 25th Annual Texas Treasure Show – Longview. It's not too late join your friends and participate with AMDC !

April 11 (tentative date) – “Metal Detecting 101” hands on activity at Crow's Nest

June – Kerrville Lions Camp service project. Dates will be announced at the meeting.

Bring to Meeting:

To any meeting you may bring:

- Foreign coins to donate to the Lions Camp hunts for kids
- Your old batteries – we have a box and will recycle them for you
- Items you want to put on the fund raiser table
- Pull tabs - we donate to charity

Newsletter:

We welcome your contributions to the newsletter and/or any ideas for improvements. Look for more pictures to be included in future issues.
