#### **Larry's Corner:**

It is **August** and it is **hot** out there. I am not the brightest light in the pack, but even I can recognize it is hot.

Everyone need to take care and keep hydrated when out. Hydration starts a couple hours before going out. Water is best, but NOT sodas they cause dehydration.

Good Luck and God Bless!

*Larry Vickers*

**Carrie** We could use a total of **5** tables for **August's** meeting. That is 1 in front, 3 at back (finds) and 1 on far wall. We also need a **TV and a screen** for our program. **Thanks.**
