Sometimes we have to look at things a little bit differently to figure out the message or to understand our Metal Detecting site. Things aren't always as they appear to be. We are detectives, trying to understand a site, trying to figure out what parts of a site to search, etc. Have you figured out the message in the letters above?

Jim Clary

February Meeting

This month we will have a combined AMDC Meeting and Hunt at Veteran's Park in Giddings, on Sunday, Feb. 16. Meet at 10:00 a.m. at the site.

The address of the park is 191 Raymond St., Giddings, TX 78942. Thanks to Art Tiemann and Ed Newsum for serving as our Hunt Masters. Any questions, call Art at 512-913-3071.

AMDC in the NEWS!

Members of our Austin Metal Detecting Club Search Team will be on the news! Six members gathered at the KVUE (ABC) station Sunday afternoon to be filmed and interviewed by the crew. KVUE is doing a special segment on History and Treasure Hunting. Our segment will be aired on the 10:00 news this coming Friday (Feb. 14). Tune in if you are in the Austin area, and not out on a hot Valentine's Date 😊

TAMDC Treasure Show!

The annual TAMDC Show and Hunt is right around the corner! It will be held March 13-15 at Brazos County Expo Center in Bryan, TX. Our club will have a booth – and we need volunteers to man the booth. Mark your calendars and plan to come help with the Show. It is fun and a great way to meet other detectorists, and see the latest detecting equipment, and just have fun! For details, directions and application forms for hunt etc., see the TAMDC website – tamdc.org

AMDC is on Face Book! Be sure and check out and “Like” the Group
