A Word

Normally this will come from our President, but we do not have one at this time. Jeanne Toewe has volunteered to be president. We need to conduct an election.

Being this is the first time in a long while the meeting will take the same format as in 2019 before all this mess. Finds of the month will be accepted from 2020 through May 12th 2021. This should produce some amazing finds. If you win a category, you will be given a couple of minutes to talk about your find.

The newsletter may look some different and may change from month to month. Any complaints or dislikes let Larry know. This May is supposed to be flower time so make sure you have yours planted; seems that someone always must remind me to do the newsletter or whatever you wish to call this group of words.

AMDC Meeting!

Thursday May 13th (our regular meeting night), we will have our meeting in person starting at 7:00 p.m. at WBC, same location. Visitors are always welcome at our in-person club meeting. You can wear a mask or not, it is your choice. Please come and do what makes you comfortable. We will encourage social distancing as much as possible, but do not want to interfere with what our members feel comfortable with.

Remember to bring your finds for FOM.

Do plan to join us on Thursday!

If you are not a current member and would like to join, please fill out an application which is on our website at amdconline.com, and send dues to Scott Hegel, 139 Fairwood Dr., Georgetown, TX 78628. Your dues are \$20.00 for 2021.

=====

The following is for your entertainment.

Ever wondered how your life might have turned out if you had taken a different path at some point in your life. I have had several things that would have altered my life. One was had a 15-year-old come up to my wife (Betty) at a TCTC show in Bryan and asked if she could be my second wife. She came from a vastly different culture from me. Second was a 60-year-old want to get married this was after Betty had died. After a few dates, it was obvious to me that it was not a good idea and would not work. Third was an 18-year-old asked if I would marry her, this was not long ago. Would like to hear any stories that you have about paths in your life that you are glad you did not take.

I was wondering what year you joined the AMDC. I joined in 1981 and Ed Newsom was already a member when I joined. It might be fun to make a list of members and when they joined and any office/position they have held. Mary, would you like to start and make a list of your and Leon's adventure into our Club? If anyone would like I will tell this about myself.

Note: We must have had a lot of folks praying for rain, it seemed that everyone received a fair portion. Let us not forget to pray for those hit hard by COVID and other things over the past. If you have a problem that you think the Club might be able to help with let one of the officers know.

MEMORIES! Can any of you remember meeting at Shoal Creek Saving & Loan, North Austin State Bank, Denny's on Burnett Road and Anderson Lane, or Crestview Methodist Church?

FYI this newsletter contains about 1733 words and is 6 pages long. Hope this never gets over 10,000 words.

Remember GOD is in control! I know sometimes it is hard to remember that with the challenges which come our way. It is HIS plan that is being followed so have faith all will work out, maybe not the way we want. All is good.

AMDC is on Face Book! Be sure and check out and “Like” the Group.

On Face Book if you like what is on there or want something added let Susie know. If you have a problem with something on there let Larry Vickers know. We have divided things up, so Susie gets only positive comments and Larry get the negative comments. If you send negative comments to Susie, you may be blocked from viewing our Face Book page!

Be sure and check the Face Book page often, as we put pictures and news of club goings on.
